design your celebration

Make your celebration your own - an expression of your personal style, by choosing your preferred venues, tailoring your menus and customising the décor to match your personality.

Our coordinators and banqueting team are all set to discuss your guest list, present the options, and help you visualise your big day – so we can convert it into reality.

explore your palette

At Louis Hotels our kitchens are known to provide variety and quality, with the emphasis on fresh ingredients and local flavours. For any celebration, you can trust our chefs to prepare a tailored menu to your guest list and personal style. Our banqueting team would be happy to advise you.

Drinks & canapés

After the ceremony, it's time for a toast, with your favourite selection of hot and cold bites.

Lunch in style

For a private meal with your guests, lunch can be... whatever you prefer! Indoors or alfresco by the pool with grills, salads, traditional dishes or a menu especially created just for you.

Gala glamour

Whether for 10 or 100 guests, this will undoubtedly be the highlight of your celebration, with a choice of gala menus to select from and live or DJ music for a memorable evening.

personalise your decor

tropical romance

Fuchsia and orange define a celebration of spirited love and tropical passion. It's a chorus of vibrant abundance in harmony with this happy occasion.

mediterranean bliss

Capturing the spirit of your destination, the classic bridal white is combined with the silvery green of the olive - reminiscent of the bridal wreaths worn in ancient Greece.

summer white

Adding a warm glow to your classic white wedding, table settings are sprinkled with a touch of yellow, while the crystals are woven into elegant floral orbs that sparkle in the sun.

celebrate memories for your guests

At Louis Hotels we ensure that your wedding guests enjoy every moment of your special occasion and experience the holiday of a lifetime too. Our wide range of facilities, activities and services cater for everyone from the solo traveller or the couple, to the family with young children.

Bathing Pleasure

This is at the core of all our hotels as each resort balances the beach with a number of outdoor and indoor pools for quieter bathing pleasure.

Health & Beauty

For a fitness fix or a beauty bonus, make sure to choose one of the hotels with a wellness center or spa to pamper you or your guests for this special occasion.

All-inclusive and more...

Gastronomy at Louis Hotels comes in a variety of choices: all-inclusive, premium all-inclusive, with optional and additional speciality restaurants, or à la carte.

Kids Clubs

Louis Hotels' Santelino Kids Club with its happy mascot is almost an institution! A colourful environment, indoor and outdoor activities with friendly supervision, are the secret to happy holidays for children.

Fun-Filled Waterparks

An undisputed family favourite! Some hotels offer their very own waterpark. Enjoy multi-lane waterslides, and paddling pools with animated water features for the kids.
