Nicosia

The following hotel belongs to the Louis Group and is managed by the Hilton Hotels Corporation
Hilton Park Nicosia ****

PAFOS on the island's western coast offers an amazing mix of history and mythology, natural beauty and resort atmosphere. With its abundance of world-famous archaeological sites, the town as a whole was declared a UNESCO World Heritage site. Known as the legendary birthplace of Aphrodite, the ancient Greek goddess of love, it is surrounded by an air of timeless romance. As such, it attracts nature enthusiasts, holidaymakers seeking outdoor fun and activities, but also a significant number of couples who are planning an overseas wedding in an environment that echoes love and romance.

PROTARAS on the island's southeastern coast is a summer resort in every sense of the word. Sweeping sandy beaches swell with sun-worshippers while numerous miniature coves attract bathers seeking more secluded spots. Water sports of all kinds satisfy both the adventurous and calmer spirits. Cafés, restaurants, cocktail bars and souvenir shops line the main coastal road, offering a bite or a drink from early morning till late at night. It's the place to enjoy fantastic bathing locations and entertainment, in a combination that attracts local residents and visitors, especially over the Easter break, holiday weekends, and throughout the long summer.

LIMASSOL is where the action is. It is the shipping and commercial hub of Cyprus, but also the party town of the island. High-profile business runs alongside the most popular festivities from carnival to the annual wine festival, with several other local celebrations throughout the year. The town's twin personality – serious and fun-loving at the same time – makes it a favourite among travellers who want to combine business and pleasure. But it is also the destination of choice for those who are looking forward to a holiday packed with cosmopolitan entertainment, exciting nightlife and fine dining options.

NICOSIA, the capital of Cyprus, is a multicultural European destination, an international business centre, a historical treasure trove and a cultural hotbed, all in one. Even visitors who are primarily interested in a seaside holiday enjoy an excursion to the inland capital. A day tour will introduce you to Nicosia's charming and thoughtfully renovated Old Town, its archaeological and more specialized museums, its established local handicraft centre, and of course its high-end as well as popular shopping areas. In between, visitors will discover the population's main pastime: casual dining and café hopping!

CORFU ranks among the most popular Greek Island destinations. It is known for its lush vegetation, amazing beaches, Venetian architecture and picturesque villages. In addition to its natural beauty and cultural attractions, Corfu's nightlife is something every visitor will enjoy.
Louis Hotels are located on Corfu island's most popular beaches: Gouvia, Alykes and Agios Ioannis Melitieon on the eastern coast, as well as Glyfada on the western coast.
All are only a short drive from Corfu town with its charming Old Town which has been declared a UNESCO World Heritage site.

CRETE is one of the largest islands in Greece, and among the most popular holiday destinations in the region.
Some remember Crete as the site where the legendary Greek hero Theseus defeated the Minotaur; others associate the island with the famous Palace of Knossos. But all enjoy its beaches, colourful festivals, majestic mountains and hidden caverns. This is an island that will satisfy every holidaymaker, from the explorer to the sun-worshipper.
Louis Hotels welcome you on Maleme Bay near Chania, one of the island's main towns.

ZAKYNTHOS also known as Zante, is another Ionian gem associated with natural beauty. Zakynthos Town, the island's capital, is noted for its elegant Venetian and Neoclassical architecture, and its waterfront on the eastern coast of the island.
Bearing witness to the island's unspoiled nature are the endangered caretta-caretta turtles, who have chosen Laganas Bay as a pristine environment for nesting.
Both near this perfect spot and on the famous Ampoula Beach area in Tsilivi, close to Zakynthos Town, Louis Hotels capture the island's magic.

RHODES the jewel of the Aegean, is in a class of its own. It attracts holidaymakers who want to combine the romance of the Greek Islands and its beaches with a wealth of attractions and historical sites.
The Medieval Old Town of Rhodes is a World Heritage site; the beautiful town of Lindos is a must-see on every traveller's agenda; and, at the right time of the year, the Valley of the Butterflies is a natural wonder. You will find one of the Louis Hotels directly on the beach near Kallithea, a short drive from Rhodes Town.

MYKONOS is the unrivalled glamour girl of the Greek Islands, a destination synonymous with style and panache.
Known as a chic escape that attracts celebrities from around the world, its high-profile cosmopolitan hot spots are balanced by picturesque villages with their whitewashed houses and domed churches, as well as dreamy landscapes. Only a few minutes from the town and airport of Mykonos, Kato Mili against the backdrop of the island's signature windmills is home to Mykonos Theoxenia, the Louis Group's unique boutique hotel.
