Make your celebration your own - an expression of your personal style - by choosing your preferred venue, tailoring your menu and customising the décor to reflect your personality.

Our coordinators and banqueting team are ready to discuss your guest list, present the options, and help you visualise your big day - making it a reality.

explore your palette

At Louis Hotels our kitchens are known to provide variety and quality, with an emphasis on fresh ingredients and local flavours. For any celebration, you can trust our chefs to prepare a tailored menu to your guest list and personal style. Our banqueting team would be happy to advise you.

Drinks & canapés

After the ceremony, it's time for a toast, with your favourite selection of hot and cold bites.

Lunch in style

For a private meal with your guests, lunch can be whatever you prefer! Indoors or al Fresco by the pool with grills, salads, traditional dishes or a menu especially created just for you.

Gala glamour

Whether for 10 or 100 guests, this will undoubtedly be the highlight of your celebration, with a choice of gala menus to select from and live music or DJ music for a memorable evening.

personalise your decor

tropical romance

Fuchsia and orange define a celebration of spirited love and tropical passion. It's a chorus of vibrant abundance in harmony with this happy occasion.

mediterranean bliss

Capturing the spirit of your destination, the classic bridal white is combined with the silvery green of the olive reminiscent of the bridal wreaths worn in ancient Greece.

summer white

Adding a warm glow to your classic white wedding, table settings are sprinkled with a touch of yellow, while the crystals are woven into elegant floral orbs that sparkle in the sun.

celebrate memories for your guests

At Louis Hotels we ensure that your wedding guests enjoy every moment of your special occasion and create unforgettable holiday memories too. Our wide range of facilities, activities and services cater for everyone from the solo traveller or the couple, to the family with young children.

Bathing Pleasure

This is at the core of all our hotels as each resort balances the beach with a number of outdoor and indoor pools for quieter bathing pleasure.

Health & Beauty

For a fitness boost or relaxing spa experience, make sure to choose one of the hotels with a wellness center or spa to pamper you or your guests for this special occasion.

All-inclusive & More

Gastronomy at Louis Hotels comes in a variety of choices: all-inclusive, premium all-inclusive, with optional and additional speciality restaurants, or à la carte.

Kids Clubs

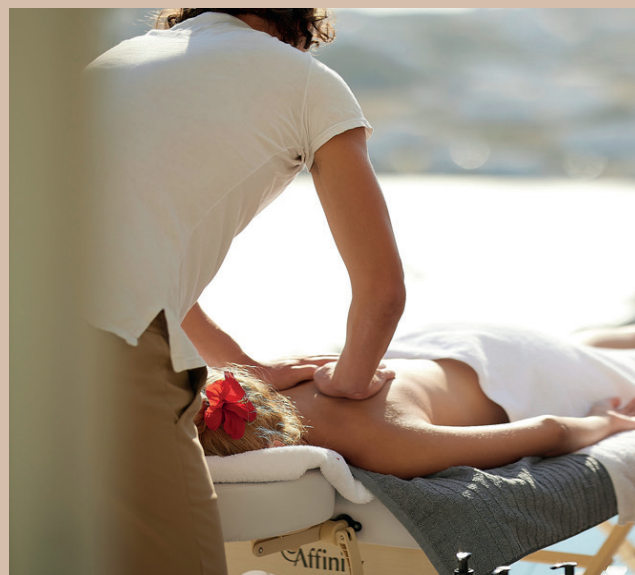

Louis Hotels' Santelino Kids Club with its happy mascot has become a favourite for families. A colourful environment, indoor and outdoor activities with friendly supervision, are the secret to happy holidays for children.

Fun-Filled Waterparks

An undisputed family favourite! Some hotels offer their very own waterpark. Enjoy multi-lane waterslides, and paddling pools with animated water features for the kids.

Show Stopping Entertainment

Louis Hotels offers a choice of activities and fun entertainment for all ages, whether you and your guests are looking for action or prefer to sit back and enjoy the show.

I chose **Louis Phaethon** to get married. A huge thank you to the managers, Michael and Rudi, who made our wedding and holiday amazing. ”

“ We recently stayed at the **Louis Ledra Beach** hotel and honestly words can't describe the holiday we had. We were there for our wedding, which was also held on the Aspelia terrace. We were a party of 20 and everything was perfect. Nothing was too much for the staff. ”

celebrate in Rhodes

Ancient Views

Experience the same spectacular views of coastline and harbour that the ancient Greeks once enjoyed.

Clay Hearts

Rhodes is famous for its brightly coloured pottery. Recreate at Hollywood's most sizzling love scenes and try your hand at creating something special together at the potter's wheel.

Old Town Nightlife

The old city transforms after the sun goes down and is one of the island's main nightlife hotspots. The ambience within its walls is electric, whether you are wandering around or enjoying a night of live music, vibrant clubbing or a drink or two!

Crowning Love

The 'crowning' of the bride and groom is a Greek Orthodox wedding tradition, where crowns known as 'stefana' are placed on the couple's heads to symbolise that they have become the 'king and queen' of their own, newly created family.

“Amazing experience. We chose this beautiful hotel to get married and we definitely chose the right place. From the beginning of our holiday... our wedding to the end we have all (17 of us) had the most amazing time. A true treat.”
